What Time Is CPI News Today in Kenyan Time & At What Time Is NFP in Kenya?

If you are asking "what time is CPI news today in Kenyan time" or "at what time is NFP today in Kenya", the exact release hour depends on whether the United States is observing Daylight Saving Time (EDT) or Standard Time (EST). Because Kenya stays on East African Time (EAT, UTC+3) all year round, the release time shifts by one hour in November and March:

US Economic News Release
Kenyan Time (MarNov: US Summer)
Kenyan Time (NovMar: US Winter)
